

Incident Management System

The following training programs meet or exceed the requirements of FY-2007 FEMA, NIMS / ICS Training guidelines; The ICS has been established by the NIMS as the standardized incident organizational structure for the management of all type of incidents.

IS 200 ICS FOR SINGLE RESOURCES AND INITIAL ACTION INCIDENTS

- **Leadership and Management:** Describe chain of command and formal communication relationships, identify common leadership responsibilities, describe span of control and modular development and describe the use of position titles.
- **Delegation of Authority and Management by Objectives:** Describe scope of authority, describe delegation of authority process, and describe and explain management by objectives.
- **Functional Areas and Positions:** Identify the ICS tools to manage an incident, demonstrate the function of organizational positions within ICS and demonstrate the use of an ICS 201 form.
- **Briefings:** Give an Operational Briefing and describe components of field, staff and section briefings/meetings.
- **Organizational Flexibility:** Explain how the modular organization expands and contracts, complete a complexity analysis given a specific scenario, define the five types of incidents, and describe the importance of preparedness plans and agreements.
- **Transfer of Command:** List the essential elements of information involved in transfer of command and describe a transfer of command process.

Level – Emergency response providers and disaster workers, entry level to managerial level including Emergency Medical Service personnel; firefighters; medical personnel; police officers; public health personnel; public work/utility personnel; and other emergency management response personnel.

During each class, ABS Instructors are going to use advance training tools to perform and improve the training:

- Emergency Response Simulator Programs
- Emergency Response Videos
- Incident Command Table Top Kit and other training tools.

ABS Consulting Instructor qualifications:

- NIMS ICS certify trainer provider by Department of Homeland Security / FEMA.
